

School Closings

Inclement weather or other emergencies may make it necessary for the Superintendent or Superintendent's designee to delay or cancel the operation of school. School may be delayed on a one or two hour basis.

Every effort will be made to announce school delays or closings by 6:00 a.m. A borderline case might possibly come later than 6:00 a.m.; however, this possibility is somewhat rare. Announcements will be made on:
